

KENENTH COPELAND PROPHECY

Long Beach, California, March 1978

....."I believe in you. You're going to do something that no other generation has ever done. You're going to establish the covenant, the will and the new testament of the Lord Jesus Christ of Nazareth in this generation, in this earth. You're going to bring about the great resurrection. But even before that, you are going to be a vital part in financing the most fabulous revival that has ever hit the face of this planet in the history of its existence. You wait and see what I tell you. I believe in you; I believe in you like no other group of people ive ever known. You can do it! You're doing it! You'll continue to do it. You'll do things you didn't think you could do. You'll do works of miracles that you didn't think would ever happen while you were even present. And, they'll happen at your command. You're going to do it. You're going to turn the business world around; you're going to upset it until it doesn't know which end is up. They're going to be coming to you, asking you, "how in the world did you do this in the midst of inflation and in the midst of shortages, how'd you do it?" And you're going to smile and say, "My god meets my needs according to his riches in glory by Christ Jesus." You're going to do it."

...The political system of the Unites States government is not going to fail. I've said it before, saith the Spirit of Grace, and I'm saying it to you again. Put your priorities where they belong,. Don't receive information from outside sources. Receive from me. I know more than the television. I know more than the newspapers. I'll show you how to vote; I'll show you how to do; I'll show you were to go, and when to go, and where to come and how to get there. And you will not fall short. You will not come up short. You will be there when the finish comes. You'll be standing there when it's all over. You'll be called the winner, not the loser. For I am the winning God. I've never lost nor shortened My arm, and My grace is great and My mercy endureth forever, and ye shall know the salvation of My Spirit, saith the Lord of grace.

Look to me for the answers, saith the lord. I am the answer. I know the ways. I know where the resources are. The greatest resources of this planet have never been tapped. I've held in reserve the resources of this planet. I'm not going to give Satan the best. I'm not going to give Ishmael the best. I'll give Israel the best, and you are the seed of Abraham. Believe me for it and ye shall tap the stream that flows before the King and before the Throne of God. Hallelujah!

These things are not foreign and should not be foreign to you. They're not foreign to heaven. Heaven has never relented any of its resources of Satan. We've never put up with him. I created him and I can handle him, saith the lord of power. I created him, I'll handle him. I've given you the weapons of my arsenal, and they are not limited, but powerful through me, saith God, for the pulling down of strongholds. Take advantage of who you are and what you, know that I am on your side. And fear not. Fear not. Fear not, for great is the resource and great is that that is available. But you're not spending enough time before Me. You're not spending enough meditation time in My Word. It doesn't come easily. You've already skimmed off the top. The riches come from digging in the depths. Digging in the rock. Building the foundation on the rock. Dig, dig, dig, dig, in My Word. Search my word. Seek My Word. Look for the unordinary, and I shall surely begin to show you glory upon glory. And the pillar of fire shall come at night and the cloud by day, and shall know that I am the Lord God that healeth thee. Hallelujah.
